

COFACE CREDIT OPINIONS & BUSINESS REPORTS

ONLINE SERVICES PROVIDING EASY TO UNDERSTAND CREDIT
OPINIONS ON 65 MILLION COMPANIES WORLDWIDE

EVALUATING YOUR TRADING RISKS

Are you seeking information about a potential Business Partner with no reference?

Do you need to run a health-check on your suppliers and partners keep them under monitoring?

Would you like to obtain information on companies before initiating business transactions or closing a deal with your prospects?

Our Credit Opinion and Business Reports are online credit vetting facilities, providing you with an easy to understand credit opinion together with concise usable data.

The service offers an immediate evaluation of the risks associated with the non-payment of trade debt by providing you with a credit opinion based on our analysis, classified within 7 credit limit bands

Key benefits

- A cost-effective solution facilitating global risk comparisons on one scale
- International opinions available on 65 million companies worldwide
- Global monitoring for 12 months is included
- Available to all - you don't have to hold a credit insurance policy with Coface to enjoy the benefits
- Access to Coface's experienced underwriters' opinions

*“Information is Key
to making the
Right Decision”*

In an era of rapid change, determining the creditworthiness of customers can be tricky.

Coface Credit Opinions and Business Information Reports can be obtained online, providing around the clock access to credit information and credit assessment tools from Coface and our network of resources.

Credit Opinion: The Credit Opinion is an indicator of the company's capacity to honor its financial commitments. Rating on a buyer expressed according to our credit scale. The @rating is declined in 7 levels evaluating solvability. A simple way to have an expert advice on your business partner.

Customized Credit Opinion: Provides credit assessment on companies based on an amount requested by the Client. This report monitors any decreases in credit assessment of the company and then notifies the Client via our online system, CofaNet.

Full Report: Comprehensive and extensive information report allowing in-depth analysis of the credit risk of a company. The Full report is delivered instantly online or can be ordered online in case of a new investigation.
