LOCAL AND INTERNATIONAL TRADE DEBT COLLECTIONS

Coface Emirates Services offers local and international debt collection services, guaranteed to maintain the level of professionalism needed to preserve our clients' business relationships with their buyers.

Coface Emirates Services, through the Coface group has access to a network of Coface debt collection companies in 99 countries globally. The international debt is collected by Coface employees with an in depth knowledge of the legal systems, business culture and language of that country, and a reputation for efficient and professional debt collection.

In addition, the Coface international communication systems allows the client to track the debt collection process via an online system, facilitating better credit management practice for the client.

LOCAL TRADE DEBT COLLECTION:

We have a professional Network of debt collectors dedicated to the collection of uninsured debt in a timeous and effective manner. All matters are handled with the utmost professionalism following the correct procedures. This guarantees that debt is collected as quickly as possible with a minimal amount of legal intrusion on the process, permitting for speedy recovery of the outstanding money for our clients.

INTERNATIONAL TRADE DEBT COLLECTION:

One of the greatest challenges any organisation will experience is international debt collection.

Differing legal systems, business cultures and language make communication difficult and payment aversion easy. In addition it can be challenging to find a reputable debt collection company in that country.

UNINSURED COLLECTIONS SERVICE COMMITMENTS:

- First action within 24 hours after receipt of the file.
- Strict respect of laws and ethics.
- A clear and affordable tariff rate.
- Strong service commitments.
